

Project Profile: 2009 Renovations to the Erie County Rath Building

Project Budget: \$ 1.35 million

Project Summary:

This project was a fast track construction project designed to move the DMV's, and County Attorney's offices from leased space into the Erie County Rath Building as part of the County's Space management program.

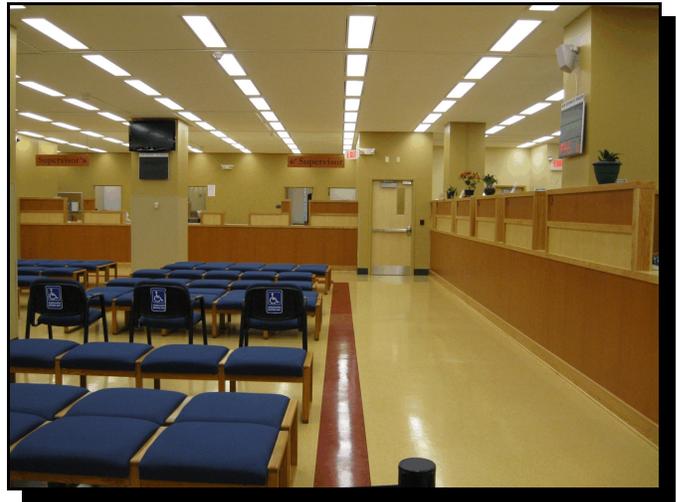

In order to meet the goals of the client, the design process was completed in two months, and the construction was completed in less than 3 months. The overall project was completed on time, and within budget.

Primary Project Objectives:

- ⇒ Renovations to 21,600 square feet on 2 Floors of the 16 floor building
- ⇒ 8,300 square feet of office space for the Erie County Department of Motor Vehicles
- ⇒ 3,000 square feet of office space for the Erie County Real Property Department.
- ⇒ 7,700 square feet of space for the offices of the Erie County Attorney.
- ⇒ 2,600 square feet of office space for the Erie County Budget Department.
